

VERTICAL BRANDS

Ski racer CB Vaughn started his company with one product – The Super Pant. The CB brand became iconic almost overnight. As a world-class skier, CB understood the value of high-performance apparel. CB applied that perspective to every product carrying the CB label.

Vertical Brands has created a vintage collection of classic CB outerwear for Men and Women. True to CB's origins fabrics like Nylon Taslan with bold colors and accents the newest collection from CB stands out in a field of outerwear sameness. We believe our partnership with CB and the resulting products are a true reflection of the brand's heritage.
